September 2018

On the occasion of Chadwick Weir Navegacion's 100<sup>th</sup> anniversary, we extend our warmhearted compliments for achieving **a century of success**.

The special milestone of a centenary is an ideal opportunity for us to reflect on our long-lasting relationship with Chadwick Weir Navegacion.

Gard has had the privilege of listing Chadwick as P&I and Hull correspondents in Uruguay for many decades already, and **we are utmost and truly appreciative and thankful for the professional service, knowledge, commitment and dedication they have shown to Gard and our Members/Clients over the many years.**

The P&I Club Gard, established in 1907, has for more than 100 years been managing the risk and consequences for our membership, and we are highly dependent on our extensive network of third party providers worldwide to provide local support and knowledge where and when needed. Chadwick has in an exemplary way **provided assistance and support whenever needed**, as well as taken a **proactive role in advising the Club on regional trends and challenges.**

From one organization with a long history to another, we congratulate Chadwick Weir Navegacion on **a century of servicing the maritime industry**. We are proud to have been part of their long journey, and hope that the next 100 years are every bit as successful.

Your sincerely  
Gard AS

Vice President  
Head of Claims Operations
